

# Port Report

NOVEMBER 2021

## MARINE PARK TRAIL PROJECT ONLINE OPEN HOUSE

The Port of Cascade Locks and Oregon Department of Transportation are planning for a future bike and pedestrian path network within Marine Park that is accessible for everyone and observes the park's cultural and historical significance while complementing its natural beauty. Help the project team and local decision-makers understand what is most important when considering trail alternatives. Survey available until January 2, 2022:

## CASCADE LOCKS ACTION TEAM

Wanting to get involved in the community, but not sure how to start? Join us at Cascade Locks Action Team! This group meets once a month on the third Thursday of the month at noon. This is a great opportunity to learn about various agencies that work in or impact Cascade Locks, as well as an opportunity for collaboration. No need to RSVP or be a representative of an agency, just need a love for Cascade Locks and desire to make a positive impact. For more questions or to be added to the mailing list, email [bberge@portofcascadelocks.org](mailto:bberge@portofcascadelocks.org).

## NAVY PINNING EVENT

Navy Pinning ceremony anchored in tradition; held at the pavilion. On Friday November 19th 2021 we were delighted to provide a space to the Navy for a pinning ceremony. About 100 people attended, including sailors, family and friends, to support and celebrate a long tradition of a ceremony that signifies a new position of leadership and responsibility for the U.S. Navy. The Port of Cascade Locks would like to congratulate the sailors and thank them for their service to our country.

## OPERATIONS MANAGER POSITION FILLED

Congratulations to Jeremiah Blue on accepting the position of Operations Manager. Jeremiah started with the Port a year ago as the Bridge Supervisor. Jeremiah quickly showed great skills in leadership among the staff and built relationships with the Port's partners. We are excited to have him in this new role.

## DATES TO TAKE NOTE OF:

Dec 2.....Port Commission  
 Dec 4.....Cascade Locks Christmas  
 Dec 14.....Economic Dev. Sub-Committee  
 Dec 16.....Port Commission  
 Dec 24.....Christmas Eve - Office Closed

 Dec 31.....New Years Eve - Office Closed

If you have further questions on meeting times or locations, contact our office at 541-374-8619 or visit [portofcascadelocks.org](http://portofcascadelocks.org).

## FIREWOOD PROGRAM

The winter months are upon us and the cold weather is creeping in. If you still need firewood to keep warm this winter, the Port has permits available for cutting wood on Port Property. There is a lot of great wood still available. Stop by the office and pick up your permit at the front desk. Cascade Locks resident Joel Koch is also looking for additional volunteers to help cut, deliver and, stack firewood for seniors in our community. This is a critical program that many of our residents depend on to stay warm in the winter. This program slowed down in 2020, but the need to get it going is still abundant. It can only continue with a solid group of volunteers who are ready to put in a good days work and give back to the community. Please call the office at 541-374-8619 and we can provide you with more information and put you in touch with Joel.
