

Port Report

APRIL 2022

**TRAVEL
OREGON**

THANK YOU, TRAVEL OREGON

If you have been out to the Business Park lately, you likely noticed improvements to the recreational areas of Herman Creek, EasyClimb and Blackberry Beach. The Port of Cascade Locks was successful in acquiring a grant from Travel Oregon to make these enhancements. This includes improved road and parking areas, picnic tables, trash receptacles, a new connecting trail from Herman Creek to EasyClimb, as well as EasyClimb trail maintenance. Due to lead times for ordering products, some items will take longer than others, but everyone will soon be able to enjoy the new recreational amenities. The Port of Cascade Locks would like to thank Travel Oregon for the opportunity to enhance the recreation areas in the Business Park.

CHAMBER EVENT

The Port of Cascade Locks, in partnership with the Skamania County Chamber of Commerce, would like to invite the community to the Chamber Happy Hour event on Wednesday, May 18th from 5-7pm hosted at the Port's Flex Building No. 6 in the business park. There will be appetizers from A&J Market, wine from Maryhill Winery and beer from Backwoods Brewing. Admission is free!

HELP WANTED

The Port of Cascade Locks is looking for **seasonal maintenance staff** to help Marine Park look its best and run its smoothest. If you enjoy working outside, visit <https://portofcascadelocks.org/employment-opportunity/>

SEWER PROJECT

The Port maintenance team sprung into action when a busted sewer pipe left the Port Office without water for a number of days in April. They were able to quickly regroup, identify the break, and fix the line to restore water back to the building. Unanticipated incidents such as this are never fun and often require the whole team to step away from their scheduled tasks. The office staff is very appreciative of their quick action and ability to adapt to new priorities.

SPRING BRIDGE WELDING

The annual Spring Bridge Welding is scheduled for May 2nd through 4th. Impacted time will be announced at a later time. To stay updated, you can sign up for the Bridge of the Gods alert system at <https://portofcascadelocks.org/bridge-of-the-gods>. As a reminder, this is regular maintenance that takes place on the bridge deck to strengthen and prolong its lifespan.
